Title: Action Plan progress

Summary: The attached paper provides an overview of progress on five of the priorities in the Action Plan: work and worth; credit and debt; child poverty; attitudes to poverty, and participation.

Each overview also has specific questions the Panel may want to address in its discussions (in the box 'For Panel's consideration'). The Panel's discussion on these points will help progress the work.

This report is for: Discussion.

Recommendation: The Panel:

- (i) notes the progress on the Action Plan; and
- (ii) considers the questions relevant to each priority (in the box 'For Panel's consideration').
