

Poverty Leadership Panel

Date: 3 October 2013

Agenda item number: 5

Title: Glasgow's Plan for Action

Summary: The attached document has been produced by organisations across Glasgow as the framework for the Panel's activities. It is for the Panel to discuss and to adopt as the basis for future work.

The Wee Panel is developing an 'easy read' version of the Action Plan that they can share with their local communities. The Panel needs to identify which Panel members can help with the graphic design of the easy read booklet. An early draft of the booklet is attached.

This report is for: Discussion and decision

Recommendation: The Panel agrees:

- (i) that the Action Plan is the basis for the Panel's work over the next four years;
- (ii) which partners will help graphically design the Wee Panel's easy read booklet for use within local communities.
