

Date: 21 August 2014

Agenda item number: 6

Title: Equalities information – what you need to know about poverty

Content: This is a short paper to advise Panel members about development of the Panel's website.

Within the next four weeks, an interactive evidence review will be made available on the Panel's website. Titled "Poverty – what you need to know", this resource will provide people in Glasgow with evidence about poverty.

Data from a range of sources is cross-sectioned by priority (e.g. work and worth) and protected characteristic (e.g. disability). A demonstration at the meeting will provide an insight into its functionality.

The information can be found at: www.povertyleadershippanel.org.uk

This report is for: Information.

Recommendation: The Panel notes this information.
